## SUNWEAR

Delivering a fresh vision of relaxed glamour for Summer 2019, the new Cocoa Mint Sunwear collection perfectly bridges the past and present, setting the tone for the coming season. Focusing on individual, feminine style, the collection of 24 pieces promises runway-ready looks to carry fashion-forward women effortlessly through the summer.

Contemporary, stylish and infused with chic sophistication, the new collection continues to embrace Cocoa Mint's signature style. Designs influenced by the early 90's and 00's perfectly align with the 'new vintage' aesthetic that reigns supreme on the SS19 catwalks, while a compact signature range of iconic metal and cat-eye designs have also been introduced to infuse the new collection with retro allure.
