

**Range Rover
Prescription Sunwear
Collection**

Introducing the much anticipated Range Rover luxury range of sunglasses. A carefully curated collection that sits in a class of its own, setting an unprecedented standard in prescription sunwear.

A proudly British name on the international stage of super-brands, Range Rover is a true powerhouse, with a cross-section of the planet's most famous faces amongst its fan base.

With an unwavering commitment to showcasing the supreme quality and styling that gives the Range Rover brand its famed 'Above and Beyond' reputation, the design team have looked to utilise the latest technological eyewear innovations and material developments to take designer eyewear into new realms.

Placing form and function as their focus, the five acetate and ten metal models have been developed to mirror Range Rover's design DNA.
