

WHEREVER YOU GO

WHATEVER YOU DO

optiGO
in motion

THE PERFECT LENS COATING
FOR EVERYDAY USE

optiGO In Motion is our latest coating designed for everyday use and enhanced for low light and night time driving.

- Minimises reflections
- Improved eye comfort in times of bad visibility
- Great for day and night use
- One pair does it all, no need to change
- Available in progressive, bifocal and single vision lenses in all material indices
- optiGO In Motion comes with a two year no quibble guarantee

Without optiGO In Motion

With optiGO In Motion

The optiGO In Motion no quibble guarantee is only available with lenses manufactured and supplied by Optimum with scratches caused by general day to day wear and tear. Images are for illustration purposes only.
